# FUN CHRISTMAS BREAK ACTIVITIES

The Christmas break is a magical time for families! Here are some delightful activities for kids and families to enjoy during the holiday break.

#### **1. Christmas Lights Tour**

Take a drive through middle Tennessee's neighborhoods adorned with dazzling Christmas lights (use the Spring Hill Fresh Annual Christmas Lights Drive Guide), and grab some some hot chocolate, and head out to create a magical experience for the family!

#### 2. Ice Skating Adventure

Strap on your skates and hit the ice at seasonal outdoor rinks like the one at the Nashville Zoo. Skating is a fun, family-friendly activity that captures the essence of the winter season.

#### 3. Gingerbread House Decorating

Unleash your family's creative side by decorating gingerbread houses. Many local businesses and community centers organize gingerbread decorating events where you can showcase your artistic flair.

#### 4. Volunteer at a Local Animal Shelter

Give back to your community by volunteering at a local animal shelter. Volunteer to walk dogs, weekend/holiday fostering, or take food and supplies the shelters need to care for pets. Do a community or neighborhood fundraiser to raise money for the shelter.

#### 5. Holiday Science Experiments

Combine learning and fun with holiday-themed science experiments. Create snowflakes, explore the science of hot chocolate, or make your own snow! Check our <u>community calendar</u>

#### **6 Holiday Performances**

Attend a holiday concert or performance. Many local theaters and performing arts groups host special Christmas shows that are sure to delight the whole family.

#### 7. Trail Cleanup Day

Contribute to the beauty of Middle Tennessee's outdoor spaces by organizing a trail cleanup day. Pick up litter, clear debris, and ensure that local trails are pristine for everyone to enjoy.

#### 8. Holiday Baking Extravaganza

Gather in the kitchen for a day of festive baking. Let the sweet aroma of holiday treats fill your home and make homemade goodies for gifting to neighbors and friends. Start a holiday tradition and have a holiday cookie-baking contest from sugar cookies to gingerbread men!

#### 9. Volunteer at a Local Food Bank

Give back to your community by volunteering at a food pantry or gathering food donations during the holidays. Many organizations host special holiday events, providing an opportunity for families to serve meals, distribute gifts, or assist in other ways.
